

# Cabaret Mechanical Cat. Nº. 29

**Xmas  
1999**

## Monkey

Visitors to our Virtual Exhibition on the internet will recognise these two pieces. The exhibition has been so popular that we have decided to keep it online for the time being.

Both of these pieces are designed by Carlos Zapata. He has made The Monkey himself in a small edition of 30.

The Monkey swings his head, lifts the banana and chomps in a manic cycle.

16cm High, 95cm wide. £94-00.

## Chaplin

Charlie Chaplin was one of the featured pieces in our online Virtual Exhibition so you can log on and see him working.

If you can't do that then let me tell you that the walking action and bobbing head of this piece is spot on.

Made by Sue Stolpe. 20cm High, 10cm deep. £69-95.

## Peter Markey Wave Machine

The original and the best! Peter's wave machines are often imitated but never bettered. This is a rare opportunity to buy an original made by the master of wooden water simulation. 12cm High, 12cm wide £58-75.

## The Dog and the Slipper

This is another piece designed and made by Carlos Zapata in a limited edition of 30. The mad-eyed dog whips his head from side-to-side while his tail spins. 12cm High, 14cm wide. £105-75.

## The Xmas Angel

"Ahhh, ain't she cute", or, guaranteed to scare the kids - you decide. Not really automata but does have posable arms. 18cm High 9cm wide. £5-95.

# Miniature Automata

Our Miniature Automata are around 2cm high (that's less than an inch) and they all move. In the picture above they are larger than life-size. From left to right: Dancing Man, Waddling Duck, Bat, Dancing Girl, Elvis, Soldier, Penguin, Flying Duck, Seagull and Chicken. They are made by Angela and Laurence St. Leger. £18-50 each.

## Kits not kits

We have recently started selling a selection of unpainted automata which have a stunning resemblance to some sold formerly as kits. The Yapping Dog and the Kissing Couple are shown here. 15-20cm High. £25-00 each.

## Twist and Shout

A new card cut-out kit from Molly Wilkinson. She twists in authentic 60's fashion and he shouts (silently) while bopping. 18cm x 17cm. £2-50
